

# TurningPoint

## MOBILE

### Installation

TurningPoint Mobile can be installed on University Managed PC\Laptop and on Personal/unmanaged devices. See full instructions on Humanities eLearning webpage

### Creating questions in PowerPoint

In-class interaction has been shown to increase student engagement, promotes active learning and can enable the experience of lectures to be much more dynamic, interesting, well-paced and memorable.

### Showing the polling results

Question results can be used to stimulate discussion among participants and can greatly enhance their learning experience. Presenters can gain valuable feedback, for example, to gauge levels understanding or draw attention to areas of difficulty or misunderstanding.
